

## Member Information Form

- Your information will be published EXACTLY as submitted so make sure your info is accurate and legible.
- All information you provide will be public information. Do not provide information you want to keep private (private cell phone, ....).
- If you have a business web site, it is in your interest to provide it for inclusion, since links to your web site can improve your google search positioning.
- *Weekly Service Route Areas* - List by Zip Codes. List the areas that you would like to build clientele.
- If you subcontract repairs for members, or you are interested in repairs referrals, then answer YES (especially in your specialty).
- The table below is to help you to identify what areas are on your weekly service route (and the areas you'd like to build).
